

Dr. JULIA BENTZ

Curriculum Vitae

jhbentz@fc.ul.pt

<https://scholar.google.pt/citations?user=IsZpzqkAAAAJ&hl=en>

<http://www.artforadaptation.com>

Born in Munich, Germany

Education

Mar 2012 – June 2015 PhD in Economics (approved unanimously, with Distinction and Honors) at University of the Azores, Portugal and University of Victoria, Canada

- Research on the social-ecological dimensions of ecotourism and regional sustainability management

Oct 2002 - Sept 2008 M. Phil. International Development Studies (grade average of 2, good) at University of Vienna, Austria and University of the Azores, Portugal

- Sustainable development, political sciences, sociology, environmental management

Work experience (academic)

March 2021 - now Lecturer at Freie Universität Berlin, General Professional Skills Courses, competence area sustainable development, parttime.

Sept 2017 - now Head of project “Art For Adaptation” (Portuguese Foundation of Science) at CICS.NOVA Interdisciplinary Centre of Social Sciences, University Nova Lisbon, Portugal, fulltime.

- Research on the social-ecological dimensions of climate change and sustainability transformations,
- Research on sustainability education, communication and engagement,
- Research on decolonizing and social justice,
- Team of 2 PhDs, 1 Master student;
- Successful development, application and evaluation of 8 approaches for innovative climate change and sustainability education in cooperation with cChange Norway (SA) and Antonio Arroio High School (public school), Lisbon.
- Development and application of public engagement methods for social-ecological change in collaboration with independent artists, Lumiar local parish (Lisbon), Santa Casa Portugal (church organization) and Andanças Festival (NGO).

Sept 2017 - now Project partner in AdaptationCONNECTS (Norwegian Science Council funded)

- Lead Guest Editor for Special Issue in *Sustainability Science*,
- Research on the social-ecological dimensions of climate change and transformations,
- Research on decolonization and social justice.

Jan 2017 - Mai 2019 Post Doc Researcher in project PLACARD (H2020 funded) at Centre for Ecology, Evolution and Environmental Changes, Faculty of Science of the University of Lisbon (Jan-Aug. 2017 fulltime, then associate partner)

- Successful cooperation with Stockholm Environment Institute, Helmholtz-Zentrum für Umweltforschung, UK Climate Impacts Programme, Umweltbundesamt Austria, International Red Cross Red Crescent on Climate Change and Disaster Preparedness and Wageningen Environmental Research in designing and organizing workshops for practitioners and researchers on the social dimensions of climate change,
- Organizing committee of ECCA conference 2019: 3 day international event, 1200 participants,
- Curating of extensive art program and involving youth in the ECCA conference
- Development of comic booklet on strategic narratives for climate change communication,
- Research on urban adaptation, climate change narratives and foresight.

Jun - Dec 2016 Post Doc Researcher in project COBA Mozambique, at Centre for Ecology, Evolution and Environmental Changes, Faculty of Science of the University of Lisbon, fulltime.

- Research in southern African climate change vulnerabilities and economic risks.

Oct 2015 - Jun 2016 Post Doc Researcher in project ClimAdaPT.Local (EEA funded) at Centre for Ecology, Evolution and Environmental Changes, Faculty of Science of the University of Lisbon, fulltime.

- Successful collaboration with 29 Portuguese municipalities in the development of urban adaptation strategies,
- Production of a comic book on local climate change adaptation,
- Research in social, political, and cultural aspects of urban climate change adaptation,
- Main organizer of conference on climate change adaptation in the business sector.

Mar 2012 - June 2015 Phd candidate (Fulltime scholarship awarded by the Portuguese Foundation of Science and Technology) at CIBIO Research Centre in Biodiversity and Genetic Resources, University of the Azores, Portugal and Department of Geography, University of Victoria, Canada

- Research in economic, social and cultural dimensions of nature tourism and regional sustainability management.

Dec 2009 - Feb 2012 Research associate in project Green Islands at University of the Azores, Ponta Delgada, Azores, Portugal, fulltime.

- Successful collaboration with Massachusetts Institute of Technology (MIT),
- Research on the social and cultural patterns of sustainable mobility, climate change mitigation, and environmental management

Non-academic or practice relevant work experience

Non-academic work experience and practice-based work experience

Sept 2021 – now volunteer work in project “KulturPiloten” Berlin, part-time

- Workshops on culture and sustainability
- Student excursions

Sept 2017 - now Head of project “Art For Adaptation” at CICS.NOVA Interdisciplinary Centre of Social Sciences, University Nova Lisbon, Portugal. (*This work comprises practice-based initiatives and activities. Its objective is to reach and engage communities and social groups beyond academia in climate action*)

- Successful development, application and evaluation of 8 approaches for innovative climate change and sustainability education in cooperation with cChange Norway (plc) and Antonio Arroio High School (public school), Lisbon.
- Development and application of 3 public engagement methods for social-ecological change in collaboration with independent artists, Lumiar local parish (Lisbon), Santa Casa Portugal (church organization) and Andanças Festival (NGO).

Oct 2015 - Jun 2016 Co-coordination of project ClimAdaPT.Local at Centre for Ecology, Evolution and Environmental Changes, Faculty of Science of the University of Lisbon, fulltime (*This work comprises policy advice for municipal decision-makers for the development of municipal adaptation plans*).

- collaboration with 29 Portuguese municipalities in the development of urban adaptation strategies.

Sept 2011- April 2013 Language teacher at Fokus Sprachen und Seminare (Language school), Munich, Germany and Sprachschule Aktiv München (Language school), Munich, Germany, part-time.

- Language courses, German and Portuguese level A1-C1.

Oct 2008 – Sept 2009 Assistant in ENGO “Amigos dos Açores”, Pico da Pedra, Azores, Portugal, fulltime.

- Planning and coordination of projects for environmental education,
- Guided tours in the volcanic cave Gruta do Carvão.

Practice-relevant experience and outreach activities beyond academia

Nicht-menschliche MitbewohnerInnen. Two workshops at SchülerInnen Uni Nachhaltigkeit & Klimaschutz, Freie Universität Berlin and public high schools, Sept. 2021

Eine Reise in die Zukunft. Two workshops at SchülerInnen Uni Nachhaltigkeit & Klimaschutz, Freie Universität Berlin and public high schools, June 2021

Project ClimAdaPT.Local. Collaboration and policy-advice for 29 Portuguese municipalities in the development of urban adaptation strategies, Oct. 2015-June 2016.

Art For Change. Collaboration with public High School Antonio Arroio, Lisbon. Dec 2019 – May 2020. School project on climate change and photography.

Odisseia Pelo Clima. Collaboration with Sara Dal Corso (dancer, choreographer) and Lumiar community council (Lisbon parish). Community theatre project, Lisbon. Oct 2018 - June 2019, resulting in three public performances (<https://artforadaptation.com/2019/06/04/odisseia-pelo-clima-thank-you-all/>) and a video (https://youtu.be/jFCj6il_dWc).

Call for Action – young people’s perspectives on climate change. Collaboration with Artistic High School Antonio Arroio, Lisbon and Johanna Bentz (film director), Dec 2018 – May 2019 resulting in a video (https://youtu.be/jFCj6il_dWc). Public release in Closing at European Climate Change Adaptation conference, 30 May 2019 Lisbon, Portugal.

Art For Change. Collaboration with public High School Antonio Arroio, Lisbon. Dec 2018 – May 2019. School project on climate change using art resulting in students’ art exhibition (<https://artforadaptation.com/2019/06/06/art-at-the-european-climate-change-adaptation-conference/>) at European Climate Change Adaptation conference, 28-31 May 2019, Lisbon, Portugal.

Cli-fi and Art. Collaboration with Artistic High School Antonio Arroio, Lisbon. Dec 2019 – May 2020. School project on climate change using art resulting in students’ art exhibition (<https://artforadaptation.com/2019/06/06/art-at-the-european-climate-change-adaptation-conference/>) at European Climate Change Adaptation conference, 28-31 May 2019, Lisbon, Portugal.

Art For Change. Collaboration with Artistic High School Antonio Arroio, Lisbon. January - May 2018 resulting in students’ exhibition (<https://artforadaptation.com/2018/02/22/how-to-empower-young-people-in-climate-change-solutions/>) at Festival Telheiras, 9-19 May 2018, Lisbon.

Narrativas nas Alterações Climáticas – Interactive Art and Science Workshop (creative writing). Santa Casa da Misericórdia (church organization), 10 April 2018, Lisbon.

Arte para Adaptação. Art and Science workshop (creative writing and cyanotype) at Festival Andanças (NGO), (<https://artforadaptation.com/2021/07/09/blueprint-stories-for-desirable-futures/>), 1-6 August 2018, Castelo de Vide, Portugal.

Special Report – Adaptation to Climate Change in Portugal, comic book, ClimAdapt.Local project (<https://ce3c.ciencias.ulisboa.pt/file/SpecialReport.pdf>).

How to become a resilience chef and avoid disasters, comic book (<https://tinyurl.com/y5j6dntp>), PLACARD project.

Grants & awards

Contemporary regime of creation. Philosophical perspectives, social engagement and ecological challenges. 2022 (submitted): Portuguese Foundation of Science and Technology, EUR 243.462,07; leading task definition and task leader.

Cost Action: SHIFT - Social Sciences and Humanities for Transformation and Climate Resilience (ref. OC-2021-1-25566) 2022, work package lead, leading grant writer.

2016: 6-year Post-Doc grant awarded by the Portuguese Foundation of Science and Technology ref. BPD/2016/115656, amount: EUR 153 454,08

2011: 3-year PhD grant awarded by the Portuguese Foundation of Science and Technology, ref. SFRH/BD/ 75928/2011, amount: EUR 73 260,00

2010: Travel grant for participation in international conference, Portuguese Foundation of Science, amount: EUR 2 500.

Experiences as reviewer, editor & evaluation services

- 2021 Evaluator of *Horizon Europe* proposals
- From 2021 on Editor at *Sustainability Science*
- 2020-2021 Lead Guest Editor of Special Feature "The 'How' of Transformation: Integrative Approaches to Sustainability", *Sustainability Science* ISSN: 1862-4065 (Print) 1862-4057 (Online)
- Reviews for *Climatic Change*
- Reviews for *Rural Landscapes: Society, Environment, History*.
- Reviews for *Action Research*
- Reviews for *Marine Policy*,
- Reviews for *Tourism in Marine Environments*.

Supervision of theses

2019-2020 Schirok, J. (2020). Ein Fallbeispiel zu Sozial-ökologischer Transformation, Sense of Place und Photo-Voice aus einem Lissaboner Reallabor, Master in Economic and Social Geography, Institute for Geography, University of Osnabrück, supervisor

Teaching

At university level

April- July 2022	Lecture in General Professional Skills Courses (ABV) "Narrative, storytelling und Imagination in der 'Decade of Action'", Freie Universität Berlin, 28 semester hours
October 2021- March 2022	Lecture in General Professional Skills Courses (ABV) "Nachhaltigkeit konkret gestalten: Transformation durch die Kunst", Freie Universität Berlin, 32 semester hours.
April - June 2021	Lecture in General Professional Skills Courses (ABV) "Nachhaltigkeit konkret gestalten: Transformation durch die Kunst (N1004d)", Freie Universität Berlin, 28 semester hours.
April 2021	Guest lecture "Adapting to a changing climate" in Environment and Society course, University of Oslo, 2 hours.
Feb 2021	Advanced Course Urban Ecology: the Green Within the City, Faculty of Sciences, University of Lisbon, 30 hours, 5-day intensive.
Mar 2017	Advanced Course Participatory Holistic Methodologies Towards Sustainable Transition. Faculty of Sciences, University of Lisbon, 20 hours, 3-day intensive.

April 2015	Guest lecture “Human dimensions in Ecotourism”, in Bachelor in Geography, Nova University Lisbon, Lisbon, Portugal, 2 hours.
July 2013	ERASMUS Intensive Program on Maritime Spatial Planning, training course, Ponta Delgada, Azores, Portugal, 5-day intensive, 30 hours, teaching assistant.
Aug 2012	GIS islands 2012 – GIS, Climate Change and Coastal Environmental Planning, training course, Ponta Delgada, Azores, Portugal, 5-day intensive, 30 hours, teaching assistant.
Aug 2010	GIS islands 2010 - International Summer School on GIS&RS applied to Marine Spatial Planning and ICZM, training course, Ponta Delgada, Azores, Portugal, 5-day intensive, 30 hours, teaching assistant.
<i>In other contexts</i>	
September 2021	Two workshops at the SchülerInnen Uni Nachhaltigkeit & Klimaschutz, Freie Universität Berlin, 4 hours
